Scholarships and Awards:

The Foundation still supports over 50 scholarships and awards in 13 Ontario Universities and postsecondary educational institutions, as well as at McGill University. This is achieved through the income generated from the Capital Fund, which is kept untouched. We have continued to try to increase the value of as well as consolidate many of the scholarships and awards to reflect the increasing needs of worthwhile students in their pursuit of higher education.

The Foundation continues to be the sole supporter of the University of Toronto Chinese-Canadian History and/or Culture Postgraduate Fellowship at the Dept of Asian Studies of the

Celebrating Over 30 Years of Service

To date, the Foundation has already donated over \$810,000 towards the scholarships and awards.

Interest-free Student Loans:

\$6,000 in loans were given out in this fiscal year. Since 1985, approximately 86 students (total value of \$133,000) have benefited from the program. \$10,000 has been written off as non-collectible loans. \$104,000 has been repaid, leaving an amount receivable at \$18,000.

The 2012 winner was Professor Xiaoyi Bao of the University of Ottawa. Professor Bao was cited for her outstanding contribution in the field of fiber optics and photonics.
