Scholarships and Awards:

The Foundation continues to support almost 40 scholarships and awards in 12 Ontario Universities and postsecondary educational institutions. This is achieved through the income generated from the Capital Fund which is preserved from year to year. We have continued to try to increase the value of as well as consolidate many of the scholarships and awards to reflect the increasing needs of worthwhile students in their pursuit of higher education.

We partnered with TD Bank and with TD's funding of \$80,000, have created new, 4 year term, scholarships in innovative programs. We have called these scholarships **TD Bank-FCCP Education Foundation New Horizon Scholarships (2022)**. These new scholarships comprise:
